ITC - This denotes a player who has an Invitational Tour Card to compete in events

Where prize money is won without a player winning a match in a tournament, NONE of that prize money will count towards these prize money rankings.

Where prize money is won by a player at a qualifying venue and that player does not go on to compete at the final venue, for whatever reason, that prize money will not count in the prize money rankings.

Allister Carter's ranking position will be dealt with retrospectively upon his return to competition.
